Mr. Muhammad Adil Naseem

Chairman & CEO

Mr. Adil Naseem is the Chairman & CEO of IT Aligners (Pvt) Ltd and a strategic leader of the organization. He is mainly responsible for shaping the company's initial policies and setting a defined and well-structured direction as a prominent stakeholder. In his role of a Chief Executive, he is responsible to manage all day-to-day responsibilities of the organization and to provide the board with feedback on progress toward achieving goals for the strategic plan and the budget needed to fulfill the expected duties. Another important role is to serve as the face and public spokesperson for the organization.

Mr. Adil Naseem holds a degree in Telecom Engineering from the FAST National University. He has a diversified experience spanning over 16 years in telecom sector of Gulf countries and Kingdom of Saudi Arabia. He served as Deputy Director acknowledging his needed insight to drive organizations to success. Besides IT Aligners (Pvt.) Ltd, Mr. Adil Naseem started up several companies as an entrepreneur.

Mr. Adil's perception about Technology is that it should be an equalizing force, an enabler for everyone around the world. He has driven his company to success by showing empathy for his employees, securing the trust of the organization's customers by providing service excellence, and collaborating with other entities to deliver innovative and value adding products and services.

Mr. Adil Naseem believed in the power of ideas to change attitudes and structures and has proved to be visionary, focusing on quality in every aspect within his organization be it people, philosophy, systems, or applications.

Mr. Zubair Ansari

Chief Operating Officer

Mr. Zubair Ansari is working as Chief Operating Officer in IT Aligners (Pvt) Ltd. He is responsible for overseeing the development and diffusion of technology for external customers, vendors, and other clients to help improve and increase business. He is tasked with managing the technical aspects of IT Aligners to ensure that they are in line with the company's growth targets and managing the company's high-tech plans.

Mr. Zubair Ansari holds a Master Degree in Information Technology from Punjab University, and has experience of over 17 years in technical support and customer services.
